

Greetings,

Our Story

Yea though we walk and sometimes run; sometimes alone, sometimes with children running close behind. Yea though we enter a car, or abandoned building, or wherever we can find temporary shelter from the situation. Yea though we walk through prison doors because we've gathered the strength to save ourselves and our loved ones. Yea though we are victims of domestic violence, we pray for hope, support and help.

Our Hope

Ella Bebe Angels is an organization that was established May 4, 2020. Our mission is healing survivors from the effects of domestic violence.

In the past year, we have helped 50+ survivors and children through our Restoring Hope Program where we provide household and daily essentials, stored in our Rapid Resource Center located at 1362 Prescott Rd Memphis TN. We also provide one on one and group counseling sessions. Come walk with us through our journey.

In an average week we provide (3) one-week emergency hotel stays, through our Shelter From the Storms Program. This program also provides transportation to and from the shelter and work as we look for long term program placement for our survivor families.

Our organization provides survivors with services for one year at a cost of approximately \$1500 each. Our staff has a heart of service and caring. No member receives pay. The operation is run entirely with community volunteers and donations.

We proudly report that 95% of survivors who come through our program go on to enjoy abuse free lives in independent living housing. Our success is further made possible by having partnered with other organizations and foundations who share our compassion, vision and mission.

Our Help

As we plan this holiday season with friends and family, let us be mindful of those who have been and continue to be victims of domestic abuse. Those that are displaced, in hiding and imprisoned. Those who have had to leave families behind in order to survive. Those who are not looking forward to the happy holiday that we take for granted.

Ella Bebe Angels is asking for your support this season to continue our mission to help as many victims as we can to become survivors. We can only do what we do through the generosity of donations. Can we count on you to be a blessing, to help a survivor survive?

Happy Holidays and Blessings to you,

Angelina Hines-Founder/Director Ella Bebe Angels-662-804-6612 Ellabebeangels@gmail.com
